(AUTHENTIFICATION) **(Licence No: xxx)**

Licence is hereby granted under the Information and Communication Technologies Act 2001 (as amended) [hereinafter referred to as ICT Act 2001"] to **XXXXXXXXXXXXXXXXX.** (hereinafter called the "licensee") having its registered office at **XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX** to establish and to operate **a ship radio transmitting and receiving station** (hereinafter known as the "apparatus") on the ship "**XXXXXXXXXXX"** in accordance to the particulars contained in the First Schedule hereto *(Annex I)* and in compliance with the terms and conditions stipulated in the Second Schedule hereto for a period of twelve (12) months commencing on **XXXXXXXXXX.**

First Schedule:

See *Annex I*

Second Schedule:

TERMS AND CONDITIONS

1. An Annual licence fee of Rs **3,000/-**, shall be payable in advance to the Information and Communication Technologies Authority (hereinafter referred to as the "ICT Authority"), for the use of the apparatus.

2. The licensee must ensure that at all material times, only persons authorised by the licensee shall have access to, and be able to operate the apparatus. The licensee shall also ensure that persons operating the apparatus observe the provisions of this licence and shall assume all liabilities arising out of such use of the apparatus.

3. Failure by the licensee, its agents and/or préposés to comply with any of the licence terms and conditions and any provisions of the ICT Act 2001 or any regulations made thereunder shall render the licensee liable to such action as the Authority may deem appropriate.

4. The licensee and every person authorized by it to operate the apparatus shall in every respect observe, and be subject to, the provisions of the ICT Act 2001 (as amended) and any regulations made under the said Act.

5. The ICT Authority reserves the right to modify this Licence as may be required for the safeguard of public interest or national security.

6. The licensee shall ensure that the apparatus is not used for any unlawful purpose.

7. The licensee shall ensure that the apparatus conforms, at all times, to the norms set down by the International Telecommunication Union or such other requirements or directions of the Authority.

8. The licensee shall at all material times have a valid and enforceable licence to operate the apparatus.

9. This licence (effective date: **XXXXXXXXXX**) shall be valid for a period of 1 year and may be renewed by submitting a formal application **at least one (1) month prior to expiry** of the said licence, subject to the licensee satisfying the conditions for such renewal and complying with all the conditions of this licence.

10. **Appropriate licence fees for renewal of the licence shall be paid not later than fifteen days before the anniversary date, failing which a surcharge of 10% shall be applicable.**

11. This licence shall not be transferable and/or assignable.

12. The ICT Authority shall not be liable in any manner whatsoever for any damage and/or prejudice arising by virtue of this licence.

13. *Annex I*. shall be an integral part of this licence.
