COMMUNIQUE

The Information and communication Technologies Authority (ICTA) hereby informs potential suppliers/contractors/consultant/ service providers that the e-procurement has become mandatory for public bodies, as announced in the Budget Speech 2020/2021 of the Government of Mauritius.

All potential suppliers (local or international) are hereby invited to register their companies on the e-Procurement System, as registration is mandatory for a supplier to submit bid online. The e-Procurement System (e-PS) hosted at the following address <http://eproc.publicprocurement.govmu.org> is a web-based application that allows Public bodies to issue Invitation of Bids (IFB) and for suppliers to submit bids online.

The PPO also provides support to the users of the e-PS through a dedicated Help Desk operating during business hours. Bidders/Suppliers may seek assistance by calling at (230) 2011530 or email: eprocdesk@govmu.org.
