**Reorganisation of FM Frequencies for Radio  
Broadcasting Operators**

To optimize coverage for all radio broadcasting operators, the ICT Authority has, in the discharge of its mandate under the law, reorganised frequency allocation for FM radio stations in Mauritius.

The changes in frequency allocation will be effective on 20 June 2019. This reorganisation is being brought after due consultation.

As a result, as from 20 June 2019, reception of FM broadcasts for the stations concerned will be as set out in the table below in MHz.

<b>Radio Station</b>	<b>Centre</b>	<b>North and South</b>	<b>East and West</b>
Kool FM	97.3	98.9	91.7
Planet FM	96.1	91.2	90.2
Radio One	100.8	102.4	101.7
Radio Plus	87.7	89.3	88.6
Top FM	104.4	106	105.7
Wazaa FM	103.2	100.5	106.5

**The public is hereby advised to take note accordingly.**
