

IFB No: ICTA-SIM/ONB/APR 2022/01

Procurement of Turnkey middleware solution for SIM card registration

ADDENDUM No. 1

To: All Potential Bidders,

1. Following the invitation for bid, by the ICT Authority, dated 13 April 2022 on the above subject, potential bidders are kindly requested to consider the below detailed clarifications for the bid preparation and submission:

2. Please refer to Section VI Sample Forms at pages 189 - 203 of the bidding document. Bidders are requested to ignore Section VI and not to fill in the Price Schedule Forms. Instead bidders are required to submit the following Price Schedule in a tabular format for:

- a) Supply, setup, configuration, installation of all required hardware prices based on the Hardware requirements described at Annex IV pages 175 - 176
- b) Development, customisation, installation and testing prices for Middleware system based on Annexes II & III pages 165 - 170
- c) Maintenance and Support prices for hardware for a five years' period
- d) Maintenance, Support and licensing prices for software for a five years' period
- e) All prices should be inclusive of VAT where applicable

3. Kindly be informed that there will be no extension of the closing date for this bidding exercise.
