

INFORMATION & COMMUNICATION
TECHNOLOGIES AUTHORITY

COMMUNIQUÉ

The Information and Communication Technologies Authority (ICTA) is launching a public consultation on *Implementation of Crowdsourcing-based Platform for Assessment of Quality of Service (QoS) of Broadband Internet Services* to empower consumers with meaningful information on the quality of their Internet connection and to improve Quality of Service.

The document bears the reference: **ICTA/01/2023** and can be viewed on the website of the Authority at the following weblink: https://www.icta.mu/documents/2023/01/Consultation_QOS.pdf

The public is invited to send its written views, comments and contributions on this consultation, to the **Executive Director, ICT Authority, 12th Floor The Celicourt, Celicourt Antelme Street, Port Louis**, or by email to **info@icta.mu**, by latest 16h00 on **28 February 2023**.
