COMMUNIQUE

Amendments to the Information and Communication Technologies (Registration of SIM) Regulations 2021

The Information and Communication Technologies (Registration of SIM) (Amendment) Regulations 2023 have come into force on 13 January 2023. The public is hereby informed of the following:

- (i) The Information and Communication Technologies (Registration of SIM) Regulations 2021 shall take effect on **30 June 2023** instead of **16 January 2023**;
- (ii) Any person who on **30 June 2023**, is the holder of a SIM or an M2M SIM shall not later than **31 December 2023 re-register** his/her SIM or M2M SIM with his/her respective operator;
- (iii) Any SIM or M2M SIM presently in use and which is not **re-registered by 31 December 2023**, shall be deactivated by the respective operator.

The Information and Communication Technologies (Registration of SIM) (Amendment) Regulations 2023 may be viewed on the website of the ICTA at the following link:
