

SHIP STATION LICENCE (RA10/RA11)

(Licence No: XXXXXX)

This licence is granted under the Information and Communication Technologies Act 2001 (as amended) [hereinafter referred to as ICT Act 2001"] to **XXX XXX XXX** (hereinafter called the "licensee") having its registered office at **XXX XXX XXX, XXX XXX, MAURITIUS** to establish and to operate a **ship radio transmitting and receiving station** (hereinafter known as the "apparatus") on the ship "**XXX XXX**" bearing registration number **XXXXXX** in accordance to the particulars contained in Annex I and in compliance with the terms and conditions stipulated hereunder, for a period of five (5) years commencing on **XX XXX XXXX**.

TERMS AND CONDITIONS

1. An Annual licence fee of Rs 3,000/-, shall be payable in advance to the Information and Communication Technologies Authority (hereinafter referred to as the "ICT Authority"), for the use of the apparatus.
2. The licensee must ensure that at all material times, only persons authorised by the licensee shall have access to, and be able to operate the apparatus. The licensee shall also ensure that persons operating the apparatus observe the provisions of this licence and shall assume all liabilities arising out of such use of the apparatus.
3. Failure by the licensee, its agents and/or préposés to comply with any of the licence terms and conditions and any provisions of the ICT Act 2001 or any regulations made thereunder shall render the licensee liable to such action as the Authority may deem appropriate.
4. The licensee and every person authorized by it to operate the apparatus shall in every respect observe, and be subject to, the provisions of the ICT Act 2001 (as amended) and any regulations made under the said Act.
5. The ICT Authority reserves the right to modify this Licence as may be required for the safeguard of public interest or national security.
6. The licensee shall ensure that the apparatus is not used for any unlawful purpose.
7. The licensee shall ensure that the apparatus conforms, at all times, to the norms set down by the International Telecommunication Union or such other requirements or directions of the Authority.
8. The licensee shall at all material times have a valid and enforceable licence to operate the apparatus.
9. This licence (effective date: **XX XXX XXXX**) shall be valid for a period of five (5) years and may be renewed by submitting a formal application at least two (2) months prior to expiry of the said licence, subject to the licensee satisfying the conditions for such renewal and complying with all the conditions of this licence.

10. The annual fee is payable to the Authority not later than fifteen days before the anniversary date, failing which a surcharge of 10% shall be applicable.
11. Where fee in respect of this licence remain unpaid for a period of one (1) year, this licence shall lapse in accordance with Section 24(9)(b) of the Act.
12. This licence shall not be renewed unless the Licensee has paid any outstanding amount on this licence or any other licence issued to the Licensee under Section 24 of the Act.
13. Notwithstanding clause 9, the validity of this licence shall be subject to there being in force a valid Registration Certificate issued by the relevant Authorities in Mauritius in respect of the vessel subject matter of this licence throughout the duration of this licence.
 - 13.1. Where the Registration Certificate covers only part of the duration of this licence, the licensee shall ensure that a fresh Registration Certificate is issued to it in a timely manner such that at all material times throughout the duration of this licence there is always in force in respect of the vessel subject matter of this licence a valid Registration Certificate.
 - 13.2. Failure to comply with clause 13.1 shall render this licence null and void with immediate effect from the date of expiry of the current Registration Certificate.
14. Where the vessel subject matter of this licence is under a lease agreement, notwithstanding clause 9, the validity of this licence shall be subject to the validity of the lease agreement throughout the duration of this licence
 - 14.1. The Licensee shall notify the Authority within fifteen (15) days from the date of termination or expiry of the lease agreement in respect of the vessel subject matter of this licence.
15. This licence shall not be transferable and/or assignable without the prior authorization of the Authority.
16. The ICT Authority shall not be liable in any manner whatsoever for any damage and/or prejudice arising by virtue of this licence.
17. **Annex I** shall be an integral part of this licence.
